

# What must be done to face climate change

## Public Forum

Saturday, 26 July 2014 at 2.00 pm - 5.00 pm

SUR 3280: SFU Surrey Campus  
250-13450 102 Ave., Surrey BC. V3T 0A3  
(Across from Surrey Central transit station)

### Speakers:

**Harun Rashid**  
**Mohammad Zaman**  
**Seth Klein**  
**Harsha Walia**  
**Summer Pervaz**  
**Chin Banerjee**

We are facing more extreme weather, devastating hurricanes, floods, droughts, and rise of sea levels. But governments are doing little and promoting more drilling, dirty oil,

pipelines, tanker traffic, and fracking. How are we to deal with loss of land, loss of crops, destroyed homes, shortage of food and water, and massive displacement of people?

RSVP: **Chin Banerjee**, [cbanerjee@telus.net](mailto:cbanerjee@telus.net);  
**Mohammad Zaman**, [mqzaman.bc@gmail.com](mailto:mqzaman.bc@gmail.com)

### Organized by:

South Asian Network for Secularism and Democracy and Society for Bangladesh Climate Justice with the support of the Institute for Diaspora Research and Engagement, Canadian Centre for Policy Alternatives, Dr. Hari Sharma Foundation, and Greater Vancouver Bangladesh Cultural Association.
